Swaradhis Dr. Bharat Balvalli

A compelling, resilient voice, equally expressive in its slow, medium and fast movements is Bharat Balvalli's singular fortune and forte. Added to this is the captivating style of singing that lays emphasis on the aesthetic virtues of music. And last but not the least, is his versatility which puts him at ease even while he renders light classical and popular varieties to the delight of his discerning listeners. Behind this assiduous cultivation of his art there is a lot of dedication, perseverance and 'riyaz'. Bharat has followed a unique style of expression both in his Classical as well as semi classical vocalism. It is a quality which is combined the high pitched powerful pukar in his voice echos in the infinite spaces of formless enigma.

He was bestowed a title 'Swaradhis' from H H Jagadguru Shankaracharya Karveer Peeth for his contribution in the music field. He was also awarded the title 'Surmani' from Sur Singaar Samsad. He has given his performances of Hindustani Classical Vocal at many prestigious occasions and also received a number of awards at various state and National Level competitions. Bharat's music has also been very well appreciated and received nationally and Internationally.

A number of eminent personalities have eulogized Bharat's impeccable style of singing and harmonium playing. Among others a letter of appreciations and blessings has been addressed to Bharat by all the five members of the Mangeshkar Family. All the personalities agreed that the Dinanath gayaki of Nattasangeet and Indian Classical music was extremely difficult. Many vocalists have tried to imitate him but none has succeeded so far. They were appreciative that Bharat has researched into the difficult gayaki of Dinanath Mangeshkar and is competently presenting it. Shivashahir Babasaheb Purandare remarked that Bharat seems to be the Kumar Gandharva of the morrow.

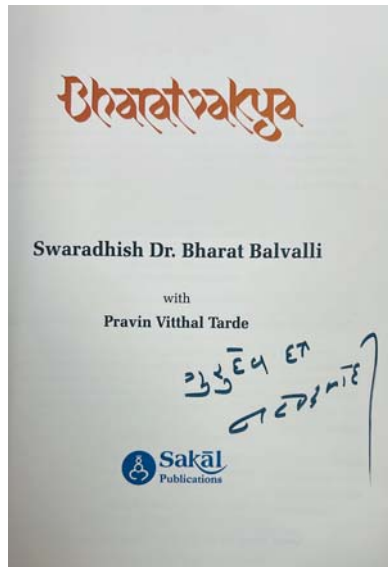

Along with career and passion for classical music Bharat has done music direction for many Marathi and hindi movies and currently he has composed 31 songs sung by all eminent artists under his tutelage. These songs are written by Veer Savarkar and this album is being released by Universal music company.

Eminent Artists and Vocalists who have sung under the music direction of Swaradhis Dr. Bharat Balvalli are Suresh Wadkar, Sonu Nigam, Padma shree Shankar Mahadevan, Shaan, Dr. Jaspinder Narula, Sadhana Sargam, Padma shree Anuradha Paudwal, Rahul Deshpande, Javed Ali, Padma shree Pt. Ulhas Kashalkar, Swapnil Bandodkar Vaishali Samant, Nandesh Umap and many more eminent artists

Memorable Endeavors

• **Shri Narendra Modi (Hon'ble Prime Minister of India)**

भरतजी का संगीत स्वर्गीय है। उन्होंने संगीत की कड़ी साधना की है। उस तपस्वी, तेजस्वी संगीत का उपयोग वे व्यक्तीगत आन, बान, शान के लिए कर सकते थे। वर्तमान समय की मौजूदा संगीत की दुनिया में अपने आप को खपा करके जीवन में बहुत कुछ पा सकते थे। लेकिन भरतजी के पूर्वजनम के कुछ संस्कार हैं, जिनके कारण उन्होंने अपने आप को राष्ट्रभक्ति के गीतों से जोड़ दिया है, संस्कार के स्वर से जोड़ दिया है। मुझे विश्वास है कि भरतजी का यह पुरुषार्थ आनेवाली पीढ़ी को प्रेरणा देगा।

• **Smt. Sumitra Mahajan (Hon'ble Speaker of Lok Sabha)**

Bharatji's music is very effective and inspiring. His profound love for the Nation and extensive research in Indian music makes him legend in all aspects.

• **Shri Manohar Parrikar (Hon'ble Defence Minister of India)**

Bharatji is known for his work in the Nation building activity through his Divine Music. His works inspire the youth and the present generation. His style of music and love for the Nation is impeccable.

• **Bharat Ratna Lata Mangeshkar and Family :**

Our father's gayaki was again heard and publicized due to Bharat's strong, capable and melodious style of singing. We all, Mangeshkar family, are very much thankful to Bharat for respectfully loving and singing our father's gayaki, as we consider him as the truest exponent.

• **Bharat Ratna Pt. Ravi Shankar :**

"May God bless Bharat's Divine Music."

• **Padma bhushan Shrinivas Khale :**

Bharat has given rebirth to the difficult and melodious gayaki of Dinanath Mangeshkar. On listening to Bharat's music the era of Dinanath Mangeshkar, Bal Gandharva comes in front of me. To experience Bharat's music and to work with him is a great and divine experience.

• **Shivshaheer Babasaheb Purandare :**

When I first heard Bharat I felt like seeing young Kumar Gandharva performing in front of me. At a very young age Bharat has started sangeet sadhana. Bharat's music is considered as Gandharva gayan.

• **Jagadguru Shankaracharya Vidya Shankar Bharati Swami Karveer Peeth :**

All the connoisseurs of music who have heard Dinanath Mangeshkar will surely recognise Bharat's music. Sharp, practical and humble inspired by true love for the nation are the qualities of Bharat's personality and music done by such people always brings a good and positive change in the society.

• **Anil Mohile :**

To write down the notations of the music composed by Bharat is a very challenging job. I have worked with several music directors but my whole experience was utilized when I worked with Bharat. Standard of music which Bharat sings or composes is extremely expressive and out of the world. I consider myself very lucky to work with Bharat. Sant Dnyaneshwar proved that spirituality has no age restriction, similarly Bharat has proved that divine music has no age restriction.

Raagopanishadh - A Divine Musical Granth based on Hindustani Classical Music's old Bandishes and Rare Raagas.

Dr. Bharatji is composing and presenting before all, a priceless master piece in the world of Indian Classical Music "Raagopanishadh" Granth. Raagopanishadh consists of hand written ancient manuscripts preserved over centuries originally composed by Jain Sadhu Bhagwants and Munis in the form of 24 Raag-Malas, mention of nearly 58 different Raagas depicting its presentation methodology, nearly 350-400 year old pictures depicting the effects created by the various ragas, 380 verses composed in 91 ragas dedicated to devotional worship, description of nearly 126 different ragas, pictures and description of overall 154 musical instruments some of which are as old as 2500 years. It was always believed that there was no musical work of this grandeur in Jainism in past, but with the compilation of this wonderful masterpiece, this musical album will be a one-of-its-kind presentation in Jainism which is composed with Indian Classical Music as its base. All the leading singers of our nation will be singing the Indian Classical Bandishes in this album under the able guidance of Bharatji.
